

WE INVITE YOU TO JOIN US FOR OUR

Housewarming Event!

In 2017, the St Paul's House system will be merging from 10 houses into 5. To help parents and students better understand and feel more connected to their new House, we're hosting a Housewarming party. You'll be able to chat to your new House Leader, meet the tutors, meet your fellow Housemates, as well as learn more about all our Supporters Groups. We'd love to see you there.
