E News

Hi All

We have had a very productive start to the year with Opens and year 10 training in full swing. The new boys have adjusted well to the systems and patterns we use. We also welcome our new forwards coach Nave to the school. He has a great knowledge of rugby and will be valuable in the preparations for this season. The rest of the grades will start in due course but we are mindful of the warm weather at the moment so please check with Mr Mac for your training days and venues.

There are just over fifty days until the Opens squad leaves for a rugby tour to New Zealand. I was lucky enough to go on the 2015 tour and it's a wonderful opportunity for the boys to grow on and off the field. These tours are a lot of work for the RSG but we are on track with the tour kit having arrived last week. The tour bags will arrive shortly and we will have a tour presentation night where the touring boys receive their kit. The date will be advised soon.

Please save the date for the RSG  
WELCOME TO RUGBY event

The poster is a vertical rectangular graphic with a green and blue color scheme. At the top, a blue banner says 'SAVE THE DATE!'. Below it, the words 'WELCOME TO RUGBY' are written in large, white, distressed font on a green background, with 'EVENT!' in red below. A central illustration shows a rugby player in a black and white kit running with the ball. To the right of the player, text reads: 'All junior and senior players, parents, coaches and sponsors are invited to kick the season off in style!'. Below this, the date and time are listed: 'SATURDAY 18TH MARCH 5.00PM - 8.00PM'. Underneath, it says 'Further details coming soon'. At the bottom, a green banner contains the text '!! ANNOUNCEMENT OF 2017 CAPTAIN OF RUGBY !!'. Below this banner are four icons with corresponding text: a rugby ball for 'Naming of Captains for Yr 7 - 2nd XV teams', a rugby ball for 'Presentation of training jerseys for all teams', a rugby ball for 'Raffle prizes', and a rugby ball for 'Food &amp; drinks'. The RSG logo is in the bottom right corner.

Thanks to all RSG who helped at the SPSSA house warming event last Friday. It was a great success.

Yours in Rugby  
Andrew Thomas (AT)
