2017

Our last round of JTAS and TAS home sport, September 2, marks our annual Blue Day fundraiser. It not only an opportunity to come together as whole sporting community for one last time for 2017, but an opportunity to support a very worthy cause in Prostrate Cancer research. It has been another successful year for St Paul's Sport and I encourage everyone to come and support our teams in the final JTAS and TAS home fixture for 2017.
