Staying Safe Online

For parents and Year 5 & 6 students

MICHELLE MITCHELL

Renowned author, speaker
and expert in life-skills
education for kids.

St Paul's School invites you and your Year 5 or 6s to a FREE, highly relevant session on cyber safety presented by expert Michelle Mitchell.

This presentation aims to discuss the difficult adult concepts like pornography and cyber bullying in an age appropriate way that children can respond positively to. It is practical and sensible in its approach and emphasises the importance of their digital footprint. The presentation also focusses young people on practical things they can do to stay safe while online.

WHEN: 6.30pm - 7.45pm (6.15pm arrival)
Thursday 12 October 2017

WHERE: Library Theatre
St Paul's School
34 Strathpine Road
