1. Overview

Compliance with the School Uniform Policy is an essential condition of enrolment and parents/guardians are expected to support the School in ensuring their child(ren) abide by this policy.

St Paul's School maintains very high standards of presentation for its students. The School uniform creates a sense of identity for students at School, promoting mutual respect and creating an atmosphere of uniformity, pride, loyalty and equity.

Students should wear it proudly and well, realising that at all times they are ambassadors for the School.
