

Who is running Primary Ichthus?

Sarah Crisp (Camp Co-director)

Hey everybody! My name is Sarah, and I'm one of the co-directors for Primary Ichthus 2018 and I have co-directed Primary Ichthus since 2016! I'm super excited to meet you all and spend what will be an awesome few days on the Sunshine Coast. I am studying Secondary Education with History and

French at UQ and I'm a youth worker in Indooroopilly. I'm also one of the 3 Youth Ambassadors for ABM. I've been coming on Ichthus camps as a camper since 2008 and then I first became a leader in 2013 and I co-directed Primary Ichthus 2016. The Ichthus community is one of the most welcoming, supportive and friendly places you could find yourself in where you can meet some pretty epic Christians and make some really lasting friendships.

Stephanie Tognola (Camp Co-director)

Hi! My name is Steph Tognola and I'm currently a primary school teacher in Kingaroy. I have been going to an Anglican Church since I was a kid and been going to Ichthus camps for the past seven years. I love being able to hang out and explore the way God works in young people's lives through crazy and fun activities. Camp is all about

making friends and having fun, which is great to share and watch with young people. I can't wait to share an amazing week with you so hope to see you there!

The Rev'd Sarah (Camp Spiritual Director)

Hi there! I'm Rev'd Sarah and I'll be joining you at Primary Ichthus as Spiritual Director. I work as a School Chaplain at Cannon Hill Anglican College and have been a Chaplain for 10 years. My great loves in life are God, the great outdoors and reading - if I can experience all three at once it's the perfect life! This is my first time at Ichthus

and I know that it is going to be a terrific experience for all of us. Take the plunge and join us in January - you won't regret it!

What is Primary Ichthus CAMP 2018?

Primary Ichthus is a four day/three night residential camp during the January school holidays for kids from grades 4-6. It is an exciting holiday experience that challenges young people to step outside their comfort zones through participation in group and individual activities. Primary Ichthus also gives the participants opportunities to form and strengthen new and existing friendships and to spend time in group discussion. All of this takes place in a safe Christian community that encourages participants to meet the God who challenges us to step out and live a life of faith in Jesus.

Ichthus camps have been around since 2002. Many of the leaders on these camps grew up attending them.

The word Ichthus comes from Koine Greek, where it means 'fish'. In Koine Greek, it is also an acronym for 'Jesus Christ, God's Son, Saviour'.

What can participants expect to experience?

Primary Ichthus provides a big, fun-filled program that include a variety of games such as water games, outdoor games, and team games. This year we will be taking advantage of being on the Sunshine Coast and will be going to Red Jacket Water Park as well as a lot of other activities on site such as water games and team games. A key aspect of the camp is the worship and small group time, giving the participants a chance to discuss and reflect with other participants their own age on what the Spiritual Directors talks mean to them.

Do participants need to be Anglican/religious?

No - there is no requirement for participants to be Anglican or Christian. There will be Christian input and worship throughout the week. Participants are expected to respect the faith and beliefs of others and can expect to have their own faith and beliefs respected.
