Interhouse Swimming Carnival 2018
Butterfly/Backstroke Competition Pool Competitors
Early Departure for Chandler Wednesday 28 February

20 February 2018

Dear Parent/Guardian

Your child has nominated to swim Butterfly or Backstroke for their House in the competition pool at the Interhouse Swimming Carnival.

Due to the number of competition races to get through on the day, we will need to start the Butterfly and Backstroke events early to complete the program on time.

Students competing in these events will be departing Attunga Street Carpark by bus; please arrive at 7.30am for a 7.40am departure.

Students will return to St Paul's on their House bus with their Tutor Group.

Kind Regards,

Tim Hughes
Head of Sport Development
