We will also tour the Reichstag and have an emotional visit to the Ravensbruck Concentration Camp where 50,000 perished during the Nazi Regime.

We have 3 days to explore the city and its amazing sites and museums with a 3 day pass. This will include the Jewish Museum, Neuss Museum with the famous bust of Nefertiti and the Bauhaus museum.

Berlin Christmas Markets. Germany is famous for its Christmas Markets which have lots of winter European Christmas treats for us to buy, and eat! We will be exploring these as we get into the festive spirit.

Prague Czech Republic

Prague in the Czech Republic will be an amazing way to end our tour. Here we will have 6 days to explore this city's long history from its medieval castle to the Communism Museum and one of the most fascinating catacombs in all of Europe - the Vysehrad Catacombs.
