

FROM THE HEADMASTER

OVERSEAS MARKETING TRIP – VISITING SISTER SCHOOLS & TRADE DELEGATION

For the last two weeks I have been visiting our Sister Schools in Japan and meeting with parents of our current International School students in Hong Kong. In addition to this, I joined a Queensland Trade Delegation promoting Queensland education, both schooling and tertiary, in Hong Kong and Macau.

At the Trade Delegation, I shared the work we are doing to support the development of key 21st Century Skills with our [Realms of Thinking](#) and the work we have done to develop a third pathway for learning: an entrepreneurial pathway. This work garnered significant interest both from international educators as well as other schools from around Australia. In fact, some of these Australian schools are so impressed with the work being undertaken at St Paul's that they have booked visits to come and see firsthand what is happening on our campus. High praise indeed.

What was certainly evident, was the high regard in which the Australian education system is held by the families in each of those countries, and their keen interest in the key skills that students need to have to be successful in the world of tomorrow.

As you would expect, each of those countries is very business-oriented with the most sought-after tertiary pathway being Business Studies. The people of those countries recognise that opportunities in the future will be found in young people's ability to think like an innovator.

But I was surprised to hear parents had a particular interest in a young person's character development. Traditionally, we think of Asian cultures as being driven for academic success, but they too recognise that happiness, or fulfilment in life, isn't found in material things or a successful career, but that relationships and character matter above all else.

Each of the schools that formed part of the Trade Delegation were able to share their particular emphasis on the development of the whole person. Perhaps this is to be expected, as all of the eight schools represented were "independent schools"; and independent schools traditionally have a strong focus on a holistic education.

FROM THE HEADMASTER

As always, it is interesting visiting other schools across the world to see what they are doing. There is so much to learn from each other. However, what I am constantly reminded of when I visit schools across the world is how fortunate we are in Australia. We often lament about our lot in life, but we really are extraordinarily lucky, and our children have remarkable opportunities.

**DR PAUL BROWNING
HEADMASTER**

FROM THE EXECUTIVE DIRECTOR OF FAITH & COMMUNITY

STUDENT WELLBEING

At St Paul's School we subscribe to a holistic ideal of education, in which we focus on who the child is becoming, rather than simply what knowledge and skills they have acquired. We want our children to live good lives. We want them to flourish, and we believe that flourishing should be seen in all aspects of a person's life – psychological, social, emotional, intellectual, physical and spiritual.

Consequently, we are developing a bespoke Student Wellbeing Program, as an expression of our School purpose statement ("To prepare resilient global citizens, who are innovative thinkers, with a heart for servant leadership"). Called 'Ways of Being', our wellbeing program has five key components:

1. Character and virtues
2. Values and ethics
3. Physical health and wellbeing
4. Mental health and wellbeing
5. Spiritual formation

You have heard me speak about character and virtues before. The St Paul's Character Framework comprises ten virtues which all members of the community are encouraged to demonstrate. These virtues are reflected in the Behavioural Choices and Consequences, which are also implemented across the school. Clear connections are made between the virtues and behaviour: where necessary, classroom teachers reinforce these connections as part of their teaching.

From the 'Ways of Being' components outlined above, we are in the process of developing a Wellbeing curriculum. This curriculum comprises a wide variety of understandings and capabilities – some of which are already embedded in the 'regular' curriculum in years P-10 as part of the Australian Curriculum (eg. Personal and Social Capability, Ethical Understanding, Intercultural Understanding), but others of which

FROM THE EXECUTIVE DIRECTOR OF FAITH & COMMUNITY

need to be delivered in an 'add-on' manner. Of course, as a Christian school, we have chosen to include Religion and Values Education (RaVE) as part of our core teaching program, and this provides a context in P-12 to deliver some aspects of our 'Ways of Being'.

In the secondary school we have two other opportunities to engage students with 'Ways of Being'. The first of these is our vertical tutor group time where, among other things, tutors can discuss with their tutees on a regular basis issues that pertain to wellbeing. Student diaries contain special resources from The Resilience Project, which serve to stimulate thought and discussion.

We also have what are known as 'Flex' lessons, on Monday (period 6) every week. Currently these lessons are arranged in year groups, with students coming together every second week for a presentation on a topic that comes from our Wellbeing curriculum that may not be covered in sufficient depth during the course of regular lessons. The advantage of these Flex lessons (over tutor group and whole-House meetings) is that we can deliver content that is age-appropriate. We plan to address a range of sensitive topics (including sexuality and intimate relationships, mental health, drugs and alcohol, and safe use of technology) with students, revisiting topics each year in a way that is appropriate to students' stage of development. The table below will give you a sample of the type of topics we plan to cover in these sessions –

Year level	Topics covered within the 'Ways of Being' Flex lessons
7	Emotional literacy Digital security Online grooming Puberty – what's happening? Pornography – the dangers
8	Resilience (5 sessions) Online time management Love and lust in the 21st century / Respectful romantic relationships Sexting – the risks Sexual orientation Body image and eating disorders
9	Prejudice & discrimination Problematic internet use Alcohol education Understanding the ASD spectrum Pregnancy, contraception & STIs Anxiety – when does it become a problem?
10	Teen sleep requirements What is depression? Gender & sexuality Safe choices – sexuality Food, mood and mental health
11	Mindfulness Alcohol education (2) Careers with the ADF Pregnancy, contraception & STIs Cyber-bullying, harassment and revenge-porn
12	Academic integrity 'What's love got to do with it?' Body-image – self and others An attitude of gratitude Life after school (Red Frogs presentation) Schoolies safety (Red Frogs presentation)

MR NIGEL GRANT
EXECUTIVE DIRECTOR OF FAITH & COMMUNITY

SECONDARY SCHOOL

IMPORTANT DATES

Please find a complete list of dates in the School calendar, accessible via Parent Lounge.

Activity	Date
Year 7 Immunisations #1	20 March
Year 7 GCC Meetings	21 March
Year 12 Exam Block	28 March – 4 April
Year 11 Formative Testing	1 – 4 April
Formal	Thurs 4 April, 6.30-10.30pm

FAREWELL TEIKYO KANI JNR SCHOOL, JAPAN

We farewelled visiting students from Teikyo Kani Junior School, Japan this week. The Service Learning Committee cooked a sausage sizzle and hosted a showdown of giant Jenga.

Our domestic students won the game, but the girls from Teikyo Kani put up an outstanding fight.

The event was an opportunity to have some fun and say goodbye to some new friends.

'LUNCH AND LEARN' MENTORING SESSION

One of our CIE teams, Scrubber Surprise, had a 'Lunch and Learn' session last week with a difference... St Paul's staff member Jane Briigmann popped in to mentor them!

Scrubber Surprise were runners up at the 2018 Entrepreneurs Club Pitch Night. They are extremely keen and committed to making their business idea work.

With the goal of making bath-time engaging, safe, and fun, they want to get their product into customer hands by December this year.

First stop, a session with one of our staff members Jane Briigmann. Jane makes soaps and candles to allow her creativity to flow and swaps or gives them away for charitable causes. Jane was able to share her years of trial and error and top tips to get Scrubber Surprise started on their soap and business journey. BIG thanks to Jane for her mentorship, time and energy.

To learn more about Scrubber Surprise, see [HERE](#).

SECONDARY SCHOOL

WOMEN'S WEEK 'LEADHERS' WORKSHOP

In partnership with the University of Queensland, the Centre for Innovators and Entrepreneurs held their first ever Women's Week LeadHers Workshop!

The CIE joined forces with the UQ Ideas Hub to design and deliver an innovative Female Leadership Program to celebrate QLD Women's Week (2-10 March, 2019) and foster mother-daughter relationships.

On Tuesday, St Paul's mothers and daughters attended the CIE to learn alongside one another, share stories, reflect, and achieve great things together.

Participants heard from amazing guest speakers, Yas Grigaliunas (World's Biggest Garage Sale), Shannon Cooper (My Food Religion) and Lucy Rament (Auto & General), all successful female leaders in their respective industries. The workshop also involved a live cooking demonstration!

At the end, all involved were able to walk away with enriched relationships, new knowledge, and a suite of strategies to support them in their leadership futures.

Thank you to the generous sponsors, Auto & General, UQ, and Zen Sisters Food for supporting us to make this event possible.

Dr Renae Jones
Director of the Centre for Innovators and Entrepreneurs (CIE)

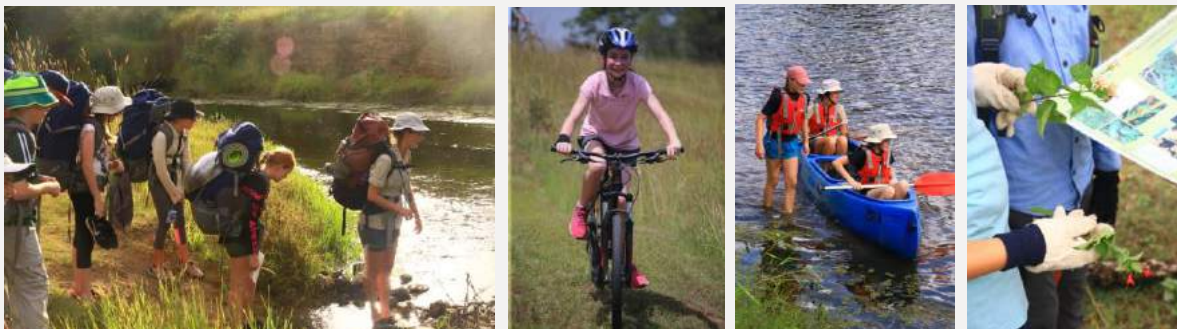

YEAR 7 CAMP

The Year 7 cohort was the first year level to go on camp this year!

The three day experience at Kenilworth Homestead involved hiking, camping out, canoeing, mountain biking, an environmental program and a ropes component. Underpinning these activities was the School's Character Framework, and virtues such as resilience, courage, respect and perseverance.

Students embraced the challenges put before them and returned to School more confident in their ability to problem solve and work with each other as a team.

Read more from Mr Cameron Howes, Head of Experiential Learning Development, [HERE](#).

SECONDARY SCHOOL

ASH WEDNESDAY

During our Ash Wednesday Service students and staff were invited to receive ashes on their hand or forehead in the sign of the cross. These ashes are a reminder that, “for dust you are and to dust you will return.” – Gen 3:19.

Ash Wednesday marks the commencement of Lent, a time of prayer and fasting before Easter. Thank you to Rev Mark and the Chapel captains for leading this service and time of reflection.

SERVICE LEARNING UPDATE – CLEAN UP AUSTRALIA DAY

Service Learning at St Paul's focuses on two specific areas: Social Justice and Environmental Stewardship. The 2019 Service Learning Environmental program got underway on Friday the 1 March with our Clean Up St Paul's Day, and was followed by Clean Up Australia Day on Sunday 3 March. This program has run for the past two years and it has been very pleasing to see steady growth in terms of student participation and the willingness of a broad range of students. Their involvement is extremely valuable to this community project!

Both events saw student participation grow by over 50% since last year. On Friday we had 57 students out and about the grounds collecting 15 bags of rubbish. The event at Pine Rivers Park on Sunday morning saw 37 intrepid representatives of the school brave a fairly wet start to the day to collect over 20 bags of rubbish from the parklands that adjoin the School. Pine Rivers Park is a central hub for our local community, hosting major events and being a meeting place for families and community organizations. Our students playing a role in keeping it clean and free of unsightly litter, is an important way for St Paul's to show our community spirit and look after our local environment.

Pleasingly, this year our anti-litter contingent was made up of representatives from all sectors of our community: family groups, past students, International students and students from across all year levels of the Secondary School. Taja House was once again well represented as this event is traditionally this House's Service project.

This year our Service Team will once again be promoting the sale of re-usable coffee cups through the Retail Shop to fund the Koala Corridor which is taking shape at the northern end of the School grounds. The Koala Corridor will continue to grow as each term students will be involved in tree-planting days. Currently we have approximately 300 trees in the ground and the team will look to bring this up to over 1000 by the end of the year. Cutting the School's waste and increasing our recycling are also projects that the Service Team are planning currently.

It is looking like a busy and highly productive year ahead.

Mr Cameron Howes
Head of Experiential Learning Development

SECONDARY SCHOOL

YR 6/7 MATHS TOURNAMENT

Recently a team of Year 6 students and a team of Year 7 students represented St Paul's at the All Hallows' and Gregory Terrace Maths Tournament. The students participated in two rounds – the first round saw them tackling 12 problems as a group and the second saw them answering up to 20 questions in pairs. They applied their knowledge, demonstrated high level thinking and represented St Paul's very well.

Mrs Cathy Smith
Realms Coach and Teacher (Maths)

CAREERS EXPO

Counselling Department will be hosting a Careers Expo on Monday, 20 May 2019 from 2.25 pm – 3.30pm. We have invited Universities, TAFE, Defence Force, Emergency Services and various private training providers to attend. This is a great opportunity for all Year 10, 11 and 12 students and parents to find out more information about career pathways you may be interested in.

More information will be provide closer to the day.

SECONDARY SCHOOL ASSESSMENT PLANNERS AND SUBJECT LEARNING OUTLINES

Parents and Caregivers, do you know you can access your student's Assessment Planner and Subject Learning Outlines via Parent Lounge? This information is readily available to assist you to support your student's learning.

[Attached is a step by step guide to access the information.](#) If you have further questions, please do not hesitate to contact your student's House Tutor.

SECONDARY SCHOOL

LOST PROPERTY

Lost Property will now be kept in the Krebs centre reception, and students are most welcome to come and check for their misplaced belongings.

To assist with managing the number of unnamed items making their way to Lost Property, these items will be kept for two weeks. After this time items such as drink bottles, lunch boxes etc will be disposed of, and unnamed clothing will be donated to charity.

Every effort will be made to locate the owners of named lost property and valuable items such as watches, blazers etc via student emails.

It would be greatly appreciated if clothing items, calculators, bottles etc could all be clearly named.

JUNIOR SCHOOL

IMPORTANT DATES

PARENT DESIGN NIGHT

How would you like to know 'HOW' and 'WHAT' your kids learn in Design Technology? How would you like to know 'WHAT' the Possibility Hub is and 'HOW' your kids use it? Well now's your chance.

On Tuesday 19 March, 6-8pm our Junior School Captains will be running a Design Experience for Parents. This is NOT a lecture or 'Chalk and Talk'. This is a learning experience where parents will use the Design method of thinking to design and prototype a solution to a problem, facilitated by students.

If you're interested in this guaranteed FUN night, please RSVP to Mr Hill by Friday 15th March. We are limited to 20 places so get in fast.

Mr Justin Hill (Teacher)
j.hill@stpauls.qld.edu.au

THE JOLLY POSTMAN

Mr Sheriff is one of many associate staff members who maintain the day-to-day running of the School. In particular, he helps to get messages to 'The Jolly Postman'!

Students in Year 1 have been writing postcards to their parents, and know that they need stamps to help them get to where they are needed. At School, Mr Sheriff uses a 'franking machine' to weigh, calculate postage and stamp letters, so that they can be given to 'The Jolly Postman'!

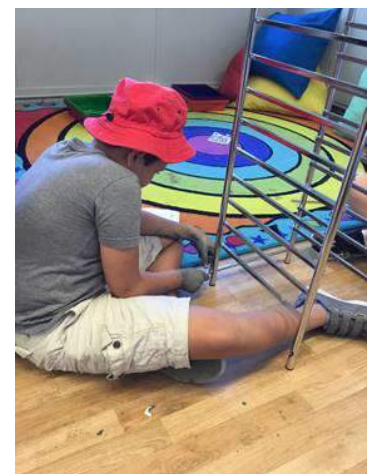

Yesterday afternoon, the Year 1s were treated with a visit to Mr Sheriff's office, located in the dock of the Tooth Building.

Thank you, Mr Sheriff, for taking your time to show us how the franking machine works! – Mrs Casablanca and Mrs Barratt

OSHC UPDATE

We have been very busy over at OSHC this year! We have had some of our team members move on to new and exciting adventures and we have a new vision for our Families in 2019. A morning in Before School Care is a fantastic opportunity for the children to relax among friends, enjoy a healthy breakfast and complete any homework tasks that they haven't had a chance to finish. Every morning our yarning circle is guided by the Action for Happiness Calendar which provides an opportunity for us to reflect on our emotional wellbeing and consider the impact we can have on others. Our After School program provides various opportunities for our children to choose from. There is Arts and Crafts, Sports Club, Tech Time, Homework Club, Gardening Club, Cartooning Class just to name a few. Starting soon will be our Cooking Club and Sewing Club. We provide a nutritious afternoon tea snack for the children and are also more than happy to ensure that your child can attend any of the amazing extracurricular activities on offer here at ST Pauls. We are very excited to have just taken delivery of some amazing new furniture and resources and are very keen to develop our loose parts area. If you would like more information in regards to our service and what we provide, please come and visit us or drop us an email at asp@ymcabrisbane.org we look forward to hearing from you soon!

Pictured right: Emre, supported by Joshua and Sakethram, built our new paper storage trolley.

JUNIOR SCHOOL

BRAMBLE BAY SWIMMING

On Friday 15 February, 16 Junior School students were selected to attend the Bramble Bay Swimming Trials. We had great success as four girls and four boys made it into the Bramble Bay Team.

At the Bramble Bay event our eight students raced fantastically and many made PB's in their events.

A huge congratulation to Annabelle Creswell who was selected into the Met North team in 5 events.

She was awarded two silver medals for 100m Free and 50m Free, three bronze for 50m Fly and Back and 200m IM.

This is an amazing achievement as it is so hard to make it through into the Met North Team. Annabelle came 1st and received a Gold medal for her 200m Freestyle but did not make the qualifying time to make selection.

Annabelle will now be competing at the Qld State Championships and we wish her much success at this next Carnival.

MUSIC

IMPORTANT NOTICES

- There are a number of parents/guardians who have yet to reply to the email (sent on January 31) acknowledging the terms and conditions set out in the new Instrumental Lesson Agreement Extra-Curricular Ensembles Agreement form. Please do so as soon as possible if you have not done so already.
- We are still awaiting the return of the Extra-Curricular Ensembles Agreement from some ensemble members. These have been given out to students over the past few weeks in rehearsals. Please read over these carefully and return, signed by both student and guardian, to the Music Centre as soon as possible.

JAZZ AT LINCOLN CENTRE ORCHESTRA WITH WYNTON MARSALIS WORKSHOP PROGRAM

Our Big Band had the amazing opportunity to work with Jason Marsalis and Chris Crenshaw, two members of the Jazz at Lincoln Centre Orchestra, on Wednesday in a special day workshop at QPAC. They have worked incredibly hard since before the beginning of the term to learn three very difficult, university level pieces, and they sounded awesome. Well done to all Big Band members, and to Mr Allen for helping them sound so good in such a short space of time!

If you haven't already, please check out our [Music website](#), like our [St Paul's Music Facebook page](#) and follow us on Instagram (@musicps) for Music information (and some great photos of your kids in action).

Kellee Green (Head of Music) and Clint Allen (Associate Head of Music)

SPORT

INTER-HOUSE SWIMMING CARNIVAL

Congratulations to Gladius and Taja House!

For the third year in a row Gladius have been crowned champions of the Swimming Carnival. This year Taja took home the Spirit Award.

As always it was a close competition, with only 100 points between first, second and third place. Fabulous effort!

More photos can be found on the [School's Facebook](#) page.

INTERNATIONAL VS DOMESTIC BASKETBALL

On Friday 8 March there was an epic basketball match held in the Walker Centre between a team of International students and a team of domestic students. This event usually takes place in HPE Week, but students could not wait until Term 2!

There was much hype in the lead-up; teams selected and posters made and displayed around the school. Fantastic sportsmanship and great skill were on display and both teams were well supported by a large crowd of students, cheering on both sides. It is fantastic to see our international students integrating with our local students.

Students are keen to make this a regular event in the school calendar – we hope to see more events like this in the near future!

Ms Kathleen Power
House Leader (Mitre) and EAL Teacher

GENERAL SCHOOL NEWS

INTERNATIONAL WOMEN'S DAY

Today is [International Women's Day](#) and we are very blessed at St Paul's to have a wonderful group of female leaders across the school.

Pictured here are our Junior School House and Junior School captains alongside our Executive, House and School captains.

A great advantage of being a Pre-Prep to Year 12 school is the capacity for younger students to interact with older students.

We're grateful to our

Secondary captains for investing in the lives of our Junior captains and helping them develop their leadership skills.

When School Captain, Lauren Stanley, was asked about what advice she had for the younger female students at St Paul's, she said: "Get involved in whatever it is you're passionate about! Find what you love and do that. And, speak up – don't be afraid to share your ideas and opinions. You are you!"

Great advice, Lauren! [#iwd2019](#)

APEX LEGENDS – WHAT PARENTS SHOULD KNOW ABOUT THIS NEW ONLINE GAME

Depending on whom you ask, the word "Fortnite" evokes vastly different reactions in Australian homes. For teenagers, Fortnite is the most popular computer game of their time. For parents, Fortnite can be seen to be addictive for their children, changing their behavior and creating tensions in the household. Well, get ready for a new Fortnite.

Apex Legends arrived a few weeks ago, generating more than 25 million downloads in its first week. In contrast, Fortnite had 10 million downloads in its first fortnight in 2017. Like Fortnite, Apex Legends is part of the battle royale genre of games.

For insights into Apex Legends and its possible effects, we spoke with Anglican Schools Commission Cyber Safety and Digital Wellbeing Advocate Steve Window, who has played the game and believes many parents may be unaware their children are already playing it. With his help, we have put together a list of points that parents need to know – from Apex Legends' addictive properties to strategies for dealing with the game should it cause concerns in your family.

SUPPORTER GROUPS

ST PAUL'S SCHOOL SUPPORTERS ASSOCIATION (SPSSA)

Notice is hereby given that the St Paul's School Supporters Association will hold its Annual General Meeting on Tuesday 26 March at 6:30pm in the Tooth Centre Lounge. All parents, carers and supporters are invited to attend this meeting and are eligible to both nominate for Committee positions and vote on the election of Officers.

More details and a nomination form can be found [HERE](#).

FOOTBALL SUPPORTERS GROUP

Notice of the Football Supporters Group Annual General Meeting (AGM) is on at 7pm Monday 25th March in the school library. [Attached is a 'Notice' with all the details.](#)

To ensure the FSG caters for the Football needs across the entire school, all supporters are welcome to play a part in 2019. To achieve this we need voices from Junior, Middle & Senior schools so whether you have one or ten years remaining at the school, please get involved. So rally up a few football faces and come along to the meeting. The AGM will be followed by a General Meeting. Note the current Treasurer and President are required to step down after 3 years in their roles so we need more parents to get involved.

In the interim, please don't hesitate to make contact if you have any questions.

Peter Deane
Football Supporters Group
Fsgpresident@spssa.org.au

RUGBY SUPPORTERS GROUP

To kick off the Rugby season, all players and supporters are invited to attend our annual "Welcome to Rugby" season launch on **Saturday 16 March**. Further information can be found in the flyer (download [HERE](#)), and tickets are

available for purchase via Flexischools.

Did you know that we have a Facebook page? Stay up to date with all things rugby by following us at "SPS Rugby".

Benvenuto nel Rugby!

All junior & senior male & female players, parents, coaches and sponsors are invited to kick off the 2019 season at the

RUGBY RISTORANTE

SATURDAY 16TH MARCH
5.00PM - 8.00PM
Walker Centre Courtyard

Adults: \$20.00
Students: (Yrs 7-12) \$15.00
Juniors: (Yrs Prep-6) Free*
Raffle tickets: 3 for \$5.00

Tickets must be purchased via Flexischools (no tickets available on the day)

SUPPORTER GROUPS

CRICKET SUPPORTERS GROUP

President's Message

The BBL may be over but St Paul's cricket has been marching on even despite some strong winds on the weekend.

Our JTAS teams have been unstoppable this season so far – well done to all the players and coaches. Our Under 11 BNJCA girls' team has been playing some good cricket.

The cricket gets tougher as you get older and the honours have been fairly even at the TAS level so far this season - 2 from 5 against Westmac, 2 from 5 against Canterbury and 2 from 5 against JPC. Special mention to our Intermediate 1st and 2nd teams who not only had a win against JPC but also sit atop of their respective TAS tables at the half way mark of the season.

For full TAS results visit <http://www.theassociatedschools.com.au/uploads/documents/1-Results-Cricket.pdf>

Good luck to all teams this Saturday!

To read the full Cricket Report, click [HERE](#).

PARENT (AND CAREGIVERS) CONNECT SUPPORTERS GROUP

Inaugural Annual General Meeting (AGM)

Monday 1 April, 2019 at 6pm in the School Library

Technology is evolving at an ever-increasing rate impacting the way we live, work and play, across all works of life.

The Parent Connect Support Group (PCSG) is a ground-breaking futurist group.

Our aim:

To provide education and support to the St. Paul's Parent Community so we can navigate a rapidly advancing uncertain and technological future.

Our four areas of focus:

1. **Futurism** – what does the future hold for you and your family (how can we prepare – education and practically)?
2. **Networking** - Building Parent Networks and Support Groups | connecting and sharing ideas and knowledge
3. **Education** – Educating ourselves by accessing knowledgeable key note speakers and presenters
4. **Engagement** – being a conduit for parents and the school to better engage with each other to provide the best education for our children.

Interested parents are strongly encouraged to join. For the group to realise its full potential we need diversity of parents and backgrounds from Technologists, Counsellors, Gardeners, Educators, Self Defence experts, Grandparents, stay at home parents etc. Everyone is welcome.

Our inaugural AGM will be followed by a General Meeting.

If you have any questions please do not hesitate to contact me.

Sarah Gover
Parent Connect Supporters Group
0430082865
