

Tree Planting Ceremony

DOMESTIC VIOLENCE PREVENTION MONTH

TREE PLANTING CEREMONY

Wednesday 5th May 2021

10:00 - 11.00am

Bald Hills Creek - Entry via walkway
by 55 Kyeema Crescent, Bald Hills

The planting of these trees reminds us of the presence of domestic and family violence within our community and the adversities faced by victim-survivors and their children.

Cr Sandy Landers supports SANDBAG's ongoing work by providing the trees for this special annual ceremony. Our new commemorative park bench will also be launched.

Come along and take part by planting a tree!
