

Be A Part Of St Paul's School Cricket Supporter's Group!

Cricket is not just a game, it is a lifestyle! It encourages families to come together and be part of a great community, promoted by the Cricket Supporter's Group (CSG) at a TAS and JTAS level and at a BNJCA school club level.

The CSG is designed to engage families in both the Junior School and Secondary School to be part of an inclusive group, where we can share our love for cricket. We are always striving to provide opportunities for our children to grow in a sport they enjoy, to build friendships and most importantly develop great sportsmanship.

The CSG aims to build great foundations where our children can play and share the love of cricket. St Paul's has amazing sporting facilities where the CSG can nurture all players with dedicated and trained coaches, helping our players to be game ready.

Our meetings are held on the first Wednesday of every month at St Paul's School in the Giese Library from 7.00pm. We would love to see as many parents there sharing ideas or just being part of a great supporters group where we all share a common interest - cricket.

From little things big things happen. My aim as President of the CSG is to continue working with the School to build and strengthen our cricket community one player at a time.
