

What to do if a student in your care has COVID-like symptoms

1

Put on your mask and sanitise your hands.

2

Ask the student (or help the student) to gather their belongings.

3

Tell Junior School Reception (ext. 4167) that you have a student with COVID-like symptoms.

4

Send or escort the student to the seating area outside the Junior School Reception.

What are COVID-like symptoms?

- Fever of 37.5 or more
- Cough
- Sore throat
- Shortness of breath
- Loss of smell and/or taste

What happens next?

- The student will be taken up to the Tooth Building.
- If we have permission, they'll be given a Rapid Antigen Test for COVID-19.
- Regardless of the result, the student's parents will be called to come and collect them.
- The parent will be asked to keep the student home from School until they are symptom-free.
