

Year 3 to Year 6 Reading Challenge 2024

Dear Students (Parents and Caregivers),

At St Paul's We Read.

The staff and I would like to challenge you to read, read, read! Reading is so important because it helps you in class and in life. To celebrate the beginning of Queensland Schools Library Week starting on Monday 12th February and continuing until Thursday, 22nd February, we challenge the students in Years 3 to Years 6 to read for as long as you can each day. For each minute you read, your house will receive a house point AND the winning house will receive an ice block party. Your completed form should be returned on Thursday, 22nd February to your classroom teacher. If you need another form, please come to the Junior School Library to get another one.

You can record any age-appropriate book. They do not have to be school Library books.

The following activities can be counted towards the challenge:

- reading independently
- shared reading

The following literature forms can be counted towards the challenge:

- printed books
- e-books, virtual books and digital publications
- graphic novels and comic books
- audio and braille books
- newspapers, magazines and recipe books

However, it does not include your home readers that you collect from the classroom.

Please contact Mrs Hamling if you have any questions.

j.hamling@stpauls.qld.edu.au

We look forward to seeing how many minutes you read in our challenge.

Kind Regards,
Mrs Connolly, Mrs Wegener and Mrs Hamling

Year 3 to Year 6 Reading Challenge 2024

Student name: _____ Class: _____

House: _____

Day	Minutes read
