

## Pre-Prep to Year 2 House Reading Challenge 2024

Dear Students (Parents and Caregivers),

The staff and I would like to challenge you to read, read, read! Reading is so important because it helps you in class and in life. To celebrate the beginning of Queensland School Libraries Week, starting on Monday, 12<sup>th</sup> February and continuing until Thursday 22<sup>nd</sup> February we challenge the students in Pre- Prep to Year 2 to read as many books as you can and record them on the back of this page. (You could ask Mum and Dad to help you with this.) For each book you read, your house will receive a house point AND the winning house will receive an ice block party. Your form should be returned on **Thursday, 22<sup>nd</sup> February** to your classroom teacher. If you need more than one form, please come to the Junior School Library to get another one.

You can record any age-appropriate book. They do not have to be school Library books. The following activities can be counted towards the challenge:

- reading independently
- shared reading
- being read to

The following literature forms can be counted towards the challenge:

- printed books
- e-books, virtual books and digital publications
- graphic novels and comic books
- audio and braille books
- newspapers, magazines and recipe books

However, it does not include your home readers that you collect from the classroom.

Please contact Mrs Hamling if you have any questions. [j.hamling@stpauls.qld.edu.au](mailto:j.hamling@stpauls.qld.edu.au)

I look forward to seeing how many books you read in our Challenge.

Kind Regards,  
Mrs Connolly, Mrs Wegener and Mrs Hamling
